Dear Community Partner,

The weather may be cold this time of year, but it warms my heart when the community comes together to support the Food Bank of Northwest Indiana. Your generous gift of \$500.00 helps provide good, nutritious meals to many of the children, adults, and seniors struggling with hunger in our community this winter.

Thanks to your help, the Food Bank distributed more than 4 million meals to individuals and families in need across Lake and Porter County in 2015. Together, with your continued support, we can feed even more hungry folks this year.

On behalf of all of us here at the Food Bank of Northwest Indiana, thank you for your support and dedication to the fight against hunger in the Region.

Sincerely,

Dear Barbara,

On behalf of the staff and especially the children of Nazareth Home, I would like to thank you for your generous contribution of \$500.00 received on 1/28/2016. This gift will make such an impact in the lives of the children we care for.

Since we were founded by the Poor Handmaids of Jesus Christ in 1993, we've seen over 200 children pass through our doors...some for a short time, some for a year or more. We consider all of these children to be miracles! Even though they had difficult beginnings, they now thrive because of caring donors like you.

We rely on partners like you to help us continue the mission of Nazareth Home, to care for poor and powerless infants and children by providing them with a loving, caring and stable beginning. We simply could not do this without your support. Thank You!

Sincerely,

Jean Bowman  
Director of Nazareth Home
